

Mayor's Sporting Fund Criteria

The Mayor's Sporting Fund was set up to assist young sportspeople who reach a high level of achievement in their chosen sport and have been gained selection/qualified to compete at an upcoming elite sporting competition. This was decided so that the level of financial assistance provided could be substantial, providing greater assistance to the families supporting the athlete in their pursuit in achieving the highest level in their chosen sport.

The decision as to who is successful in being given financial support is up to the Mayor's Sporting Fund Sub-Committee. At all times, the Sub-Committee will attempt to be consistent in how the money is allocated, however, this may not always be possible, eg, at times the amount of money available in the Fund will vary. Each application received is considered and assessed against the Criteria and Charter of the Mayor's Sporting Fund.

The Fund will attempt to provide financial assistance to young sportspeople who:

- **is aged between 13 - 21 years of age, in the same calendar year as the upcoming sporting competition for which assistance is being sought, is being held.**

*To check whether your chosen sport is included in the National Sporting Organisation listing go to <http://www.ausport.gov.au>

Financial Assistance **will not** be offered to applicants meeting the above criteria if they:

 - **e.g. Oz Tag, drill dance, rope skipping or Irish dancing competitions.**

The Sub-Committee may also wish to contribute to fund-raising activities of individuals or teams who do not qualify for assistance under the above guidelines. Once again, the level of this assistance may vary depending on a number of factors including how much money is available in the fund at the time the application is received.

All applications must be submitted on the Mayor's Sporting Fund Application Form. In addition, applications should include the following information:

A covering letter including:

- **Full details about the competition to be attended, including dates and costs.**

All applications to the Mayor's Sporting Fund should be submitted as soon as possible after receiving notification of selection to compete. Please note: If applicants are recommended to receive assistance by the Mayor's Sporting Fund Sub-Committee, the Sub-Committee must then prepare a report which is then presented to the next Ordinary Council Meeting seeking endorsement of the Sub-Committee's recommendation. This timeline could result in applicants not receiving funding until approximately 8 weeks from the time their application is received by Council. Applications received post competition will not be assessed; there is no retrospective funding.

**All decisions concerning the allocation of funding
is at the sole discretion of the Mayor's Sporting Fund Sub-Committee**
