To Mayor

Peta Pinson

Port Macquarie

Hastings Council

Hello Peta,

I need to voice my concerns of the change in date of the 2021 Iron Man to Sunday 5<sup>th</sup> September 2021 (Fathers Day) .

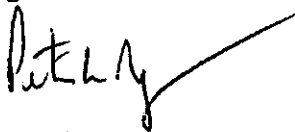

Fathers Day at our Club is always a very busy day for our Members and Guests Especially (Fathers Day Lunch),with the new scheduling of the event on this day this will greatly affect our trade and disrupt a majority of our elderly population who would normally attend.

We tried for the first two years that Iron Man was on to open as normal but have found with the road closures that our members and guests had to navigate that they have failed to attend our Club.

Each continuous year on Iron Man day we do not open our Club until 4pm .

I Strongly suggest that council negotiates with Iron Man Organisers to move the date In the best interest of our community and elderly residents who have been through so Much lately.

Regards

Peter Negus  
Secretary Manager  
Club Northhaven
