

# Automated Sports Field Lighting System

## User Group Instructions

Each sports field is equipped with an Automated Lighting System that can be controlled via SMS using a PIN and command code. Approved sporting clubs will receive a unique 4-digit PIN from Council.

To activate or deactivate the lights, simply send the corresponding command number - 1 for ON or 0 for OFF followed by the relevant field number(s).

### Port Macquarie Fields

#### Findlay Park

**SMS: 0419 026 684**

X X X X	On / Off	Field 1	Field 2

Your Pin	On = 1 Off = 0	1	6	2	3	4	5

**Note:** Code 1 (Field 1a) controls the LED lights covering four netball courts, while Code 6 (Field 1b) operates the older metal halide lights over two unused netball courts.

After sending the SMS with the command, you will receive a confirmation message as follows:

- (Location Name): Field # ON/OFF

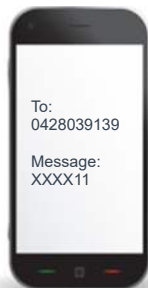

If the response differs, please refer to the SMS Response Summary for clarification.

## Example Text

### Turning lights ON

SMS Mobile No. 0428 039 139

Enter 4-digit PIN, Command and Field, then send.

PIN	ON	Field 1	MESSAGE
X X X X	1	1	XXXX11

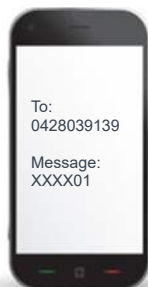

To activate more than 1 field/light

PIN	ON	Field 1	Field 2	MESSAGE
X X X X	1	1	2	XXXX112

### Turning lights OFF

SMS Mobile No. 0428 039 139

Enter 4-digit PIN, Command and Field, then send

PIN	OFF	Field 1	MESSAGE
X X X X	0	1	XXXX01

To switch off more than 1 field/light

PIN	OFF	Field 1	Field 2	MESSAGE
X X X X	1	1	2	XXXX012

To activate multiple fields, include all field numbers in your SMS command.

Please note that sports field lights require time to warm up. You can turn them on before your arrival, but billing will begin as soon as the lights are activated.

**IMPORTANT:** Make sure to turn the lights OFF after use, as you may be charged if another group uses them under your account. Note that the lights have a 15-minute delay before turning off completely, but you will not be billed for this period.

## SMS Response Summary

Every command will trigger a response SMS. If a command cannot be processed by the Automated Lighting System, you will receive a response SMS explaining why it failed.

The SMS responses are summarized in the table below:

SMS Response	Explanation
Location X: Field # ON or OFF	Request to turn on or off lights accepted.
Location X: Invalid Command. Send HELP or call PMHC After Hours 6583 2225 for assistance.	An invalid PIN or sequence has been used. Check and re-try.
Location X: Unauthorised access or wrong PIN, Send HELP or call PMHC After Hours 6583 2225for assistance	An invalid PIN has been used or no approval has been granted. Check and re-try.
Location X: Too Early! Call PMHC After Hours 6583 2225 for assistance	Request to <b>turn on</b> lights is before the earliest programmed time allowed.
Location X: Too Late! Call PMHC After Hours 6583 2225 for assistance	Request to <b>turn on</b> lights is after the latest programmed time allowed.
Location X: No auth! Call PMHC After Hours 6583 2225 for assistance	User is not authorised to use lighting system.
Location X: Closed! Call PMHC After Hours 6583 2225 for assistance	Request to <b>turn on</b> lights at a field that is currently closed
Location X: In use! Call PMHC After Hours 6583 2225 for assistance	Request to <b>turn off</b> lights at a field which have been turned on by another user
Location X: Override! Call PMHC After Hours 6583 2225 for assistance	Request to <b>turn on</b> lights at a field that is currently controlled by Council.
Location X: Field # TAKEN OVER by OTHER USER	Another user has activated the lighting system and is now controlling them.

Location X: = Sports field location

Once the Automated Lighting System receives an SMS command, it will interpret and execute it. Valid commands will be confirmed with a response SMS. If you don't receive an acknowledgment within about 1 minute, please resend the command.
